

Enterprise Products Partners to Host Analyst Meeting

April 16, 2013

HOUSTON--(BUSINESS WIRE)--Apr. 16, 2013-- Enterprise Products Partners L.P. (NYSE:EPD) today announced it will host a meeting with securities analysts and investors on Wednesday, April 17, 2013 at 8 a.m. CDT in Houston. The event will be webcast live on the internet and can be accessed along with accompanying slides via Enterprise's home page at www.enterpriseproducts.com.

Visitors to the website interested in listening to the presentation should login at least 15 minutes prior to the start of the meeting in order to download and install any necessary audio software.

Enterprise Products Partners L.P. is one of the largest publicly traded partnerships and a leading North American provider of midstream energy services to producers and consumers of natural gas, NGLs, crude oil, refined products and petrochemicals. Our services include: natural gas gathering, treating, processing, transportation and storage; NGL transportation, fractionation, storage, and import and export terminals; crude oil gathering and transportation, storage and terminals; offshore production platforms; petrochemical and refined products transportation and services; and a marine transportation business that operates primarily on the United States inland and Intracoastal Waterway systems and in the Gulf of Mexico. The partnership's assets include approximately 50,000 miles of onshore and offshore pipelines; 200 million barrels of storage capacity for NGLs, petrochemicals, refined products and crude oil; and 14 billion cubic feet of natural gas storage capacity. Additional information can be found on the Enterprise website.
