

## **Enterprise Products Partners to Participate in J.P. Morgan's Energy Corporate Access Day**

June 12, 2013

HOUSTON--(BUSINESS WIRE)--Jun. 12, 2013-- Enterprise Products Partners L.P. (NYSE: EPD) announced today that W. Randall Fowler, executive vice president and chief financial officer of its general partner, is scheduled to participate in the J.P. Morgan 2<sup>nd</sup> Annual Energy Infrastructure / MLP 1x1 Corporate Access Day on Thursday, June 13, 2013 in Chicago, Illinois.

A copy of the presentation that will be used for the 1x1 meetings will be available the day of the event and may be obtained from the Enterprise website at [www.enterpriseproducts.com](http://www.enterpriseproducts.com) under the Investors tab.

Enterprise Products Partners L.P. is one of the largest publicly traded partnerships and a leading North American provider of midstream energy services to producers and consumers of natural gas, NGLs, crude oil, refined products and petrochemicals. Our services include: natural gas gathering, treating, processing, transportation and storage; NGL transportation, fractionation, storage, and import and export terminals (including LPG); crude oil and refined products transportation, storage and terminals; offshore production platforms; petrochemical transportation and services; and a marine transportation business that operates primarily on the United States inland and Intracoastal Waterway systems and in the Gulf of Mexico. The partnership's assets include approximately 50,000 miles of onshore and offshore pipelines; 200 million barrels of storage capacity for NGLs, petrochemicals, refined products and crude oil; and 14 billion cubic feet of natural gas storage capacity. For additional information, visit [www.enterpriseproducts.com](http://www.enterpriseproducts.com).
