

Enterprise, Teague Receive Industry Recognition; Enterprise Receives Top Governance and ESG Honors

December 18, 2019

HOUSTON--(BUSINESS WIRE)--Dec. 18, 2019-- Enterprise Products Partners L.P. (NYSE:EPD) was recently recognized among the most honored companies by *Institutional Investor* magazine's 2020 All-America Executive Team rankings and S&P Global Platts 2019 Global Energy Awards. In addition, the chief executive officer of Enterprise's general partner, A. J. "Jim" Teague, received recognition from the American Fuel & Petrochemical Manufacturers ("AFPM") and the Greater Houston Port Bureau.

Enterprise was among the Top 10 most honored companies for all industries in a survey conducted by *Institutional Investor* magazine. The results reflect the opinions of more than 1,700 buy-side and sell-side analysts at over 1,200 firms. In the Natural Gas Pipeline and Master Limited Partnership sectors, Enterprise was the top-ranked company by both the sell-side and buy-side analyst communities. In the sector that includes midstream energy corporations, Enterprise received top honors for its Investor Relations Program and Team, ESG/SRI reporting, and Corporate Governance. Individual honors by category went to Jim Teague (Chief Executive Officer), Randy Fowler (Chief Financial Officer), Jacqueline Richert and Randy Burkhalter (Investor Relations Professional).

S&P Global Platts presented Enterprise with the Award of Excellence for the Midstream Energy sector.

The Founders Club of the AFPM recently named Mr. Teague as the recipient of the prestigious Petrochemical Heritage Award for 2019. He was also named the 2020 Maritime Leader of the Year by the Greater Houston Port Bureau for his outspoken advocacy and financial investment to improve the Houston Ship Channel, and for rallying industry to work together to achieve that goal.

"On behalf of the entire Enterprise organization, I am proud and humbled by these awards and recognitions from our investors and industry peers," said Randa Duncan Williams, chairman of the board of Enterprise's general partner. "These honors are made possible by the collective creativity and energy of our 7,000 employees. I would also like to congratulate Jim for these well-deserved awards. The Petrochemical Heritage Award recognizes the breadth of his career as an innovator and leader in the petrochemical industry and the midstream energy services sector."

Enterprise Products Partners L.P. is one of the largest publicly traded partnerships and a leading North American provider of midstream energy services to producers and consumers of natural gas, NGLs, crude oil, refined products and petrochemicals. Our services include: natural gas gathering, treating, processing, transportation and storage; NGL transportation, fractionation, storage and export and import terminals; crude oil gathering, transportation, storage and export and import terminals; petrochemical and refined products transportation, storage, export and import terminals and related services; and a marine transportation business that operates primarily on the United States inland and Intracoastal Waterway systems. The partnership's assets include approximately 50,000 miles of pipelines; 260 million barrels of storage capacity for NGLs, crude oil, refined products and petrochemicals; and 14 Bcf of natural gas storage capacity.
